All Residential units located within the City of Kerrville, shall utilize collections outlined in the City's Solid Waste Program. Republic Services is contracted to perform all residential services. However, this does not pertain to residential units that are considered multi-unit complexes such as apartments, condos, or any commercial offices wishing to receive solid waste services. Those wishing to obtain such services, which may also include for construction purposes, may choose a licensed hauler below. Be advised that anyone wishing to collect and transport waste within the City limits may be subject to licensing requirements under *Sec. 86-2 for Solid Waste*.

If you need assistance or have questions concerning the City of Kerrville's Solid Waste Program, please contact David Barrera - Assistant Director of Public Works.
